# DREER'S HARDY PHLOX

## SPECIAL OFFER—FALL 1913

---

---

We again call your attention to the *Superb Collection of Hardy Phlox* for which we are now booking orders, at *Special Reduced Prices for Fall Delivery*.

We are the **largest growers** of these gorgeous summer-flowering plants in the World, having at present over **half a million** healthy vigorous field-grown plants in our nursery.

The collection we offer (while not extensive) embraces all the **distinct Newer Varieties**, as well as the **Standard Sorts of Merit**. Many varieties which, heretofore, have been scarce and of high price, are now offered in **large quantities** and at **Popular Prices**.

The plants which we will

send out will all be **Strong one-year-old, Field-grown Stock**, and can be shipped with perfect safety at any time after October 1st.

Make your selection of Varieties and place your order at once to insure the benefit of reduced prices. This offer is made subject to early acceptance.

For a complete list of Hardy Plants suitable for fall planting, the most extensive collection in the country, see our **Fall Catalogue**. If you have not received a copy, write for same.

## NEW VARIETIES OF HARDY PHLOX

- Asia** (Tall.) One of the most valuable recent introductions, a delicate shade of mauve, with crimson-carmine eye.
- Braga** (Dwarf.) Mauve-rose, more or less suffused with salmon; large white eye, a distinct and pleasing color combination.
- Europa** (Tall.) A white variety, with very decided crimson-carmine eye; the individual flowers as well as the trusses are very large, entirely distinct, a valuable acquisition.
- Elizabeth Campbell** (Dwarf.) Very bright salmon-pink, with lighter shadings and dark crimson eye, an entirely new and much wanted shade in Phlox.
- Frau Anton Buchner** (Dwarf.) The finest white variety yet introduced, having a large truss and individual flower of dwarf habit.
- Hervor** (Dwarf.) This is the finest variety of its color; a bright but soft rose-pink, with a large white eye.
- Rynstrom** (Tall.) An improved form of the popular variety Pantheon, fine for massing; of a Paul Neyron rose-color.
- Widar** (Medium.) A splendid improvement on Edmond Rostand; in color a light reddish-violet, with very large white centre which intensifies and illuminates the color.
